How did you find out about us? _____

I voluntarily consent to be treated with acupuncture by Lisa C. Francolini or Sheridan Horning, Licensed Acupuncturists, at RiverWest Acupuncture and/or my residence.

I understand that acupuncture is performed by the insertion of needles. This occurs through the skin, and/or by the application of heat to the skin, at certain points on or near the surface of the body. The effect of acupuncture is to treat bodily dysfunctions or diseases, to modify or prevent the perception of pain, and to make normal the body's physiological functions. I have been informed that only disposable needles will be used during each treatment.

I have been made aware that certain adverse side effects may result. These could include, but are not limited to, some local bruising, minor bleeding, fainting, temporary pain or discomfort, and the possible temporary aggravation of symptoms existing prior to acupuncture treatment.

I am also aware that acupuncture is licensed in Oregon and many other states and has been safely practiced for centuries and the FDA classifies the procedure as a medical procedure. I understand that no guarantees concerning its use and effects are given to me, and that I am free to stop acupuncture treatments at any time.

I have carefully read and understand all of the information and I am fully aware of what I am signing.
